

A RESOLUTION OF THE BOROUGH COUNCIL OF ROCKWOOD
BOROUGH, SOMERSET COUNTY, PENNSYLVANIA, DECLARING
THE DISCREPANCIES IN MAINTENANCE PRACTICES BETWEEN
TOWNSHIPS AND BOROUGH BY THE PENNSYLVANIA
DEPARTMENT OF TRANSPORTATION

WHEREAS, the Pennsylvania Department of Transportation engages in maintenance practices for storm water infrastructure and for the removal of anti-skid materials on state roads and highways within townships and boroughs throughout the Commonwealth; and

WHEREAS, the Pennsylvania Department of Transportation does not perform or provide for similar maintenance practices on the state roads and highways in boroughs as it does provide for state roads and highways in townships; and

WHEREAS, the 962 Boroughs throughout the Commonwealth are saddled with the economic burden of maintaining storm water infrastructure and removal of anti-skid materials on state highways within Borough boundaries, while surrounding Townships obtain Department maintenance assistance.

THEREFORE, be it resolved by the Council of the Borough of Rockwood that we are asking the Pennsylvania Department of Transportation to promote

and establish equitable maintenance policies and practices throughout the Commonwealth between Townships and Boroughs regarding storm water infrastructure and removal of anti-skid materials as it relates to state highways within Borough limits.

The above preambles and resolutions are hereby adopted this 22nd day of August, 2000, by the vote of the Borough Council at its regularly conducted meeting held this date.
